ABOUT ME

Versatile Designer with 6+ years of experience bridging interior design, CAD, and digital production. Focused on turning ideas into refined, practical designs that carry through from concept to execution.

EDUCATION

Portland State University
B.S. in Architecture
(Aug 2014 - June 2018)

Specialized in CAD-based programs, LEED, and large-scale projects.

CAREER EXPERIENCE

SUBMITTAL DRAFTER

DeaMor - Ridgefield, WA
(June 2024 - Jan 2025)

- Draft AutoCAD designs for skylight components, glass imports, and installation specifications.
- Prepare detailed plans for construction and installation, ensuring accuracy in materials and production processes.

DRAFTER

BEE Consulting - Portland, OR
(June 2022 - Nov 2023)

- Designed waterproofing systems by creating detailed AutoCAD drawings for residential and commercial projects.
- Worked on 15+ active projects, collaborating closely with engineers and architects to update and refine construction plans.

DRAFTER/DESIGN ASSISTANT

Cielo Home- Portland, OR
(Dec 2020 - May 2022)

- Assisted in managing client relationships and sourcing furniture and materials for residential designs.
- Utilized CAD and Rhino software to model and refine designs for multiple client projects, ensuring seamless execution from concept to final details.

DRAFTER/DESIGN ASSISTANT

Studio Palomino - Sherman Oaks, CA
(Aug 2019 - March 2020)

- Collaborated on large-scale design projects, creating detailed Rhino models and transforming them into construction-ready plans.
- Produced design documentation and rendered final concepts using Adobe Suite, ensuring high-level design fidelity.

INTERIOR DESIGN INTERN

Mark Haddawy - West Hollywood, CA
(Jan 2019 - Aug 2019)

- Assisted with historical restorations, site mapping, and furniture design for luxury clients.
- Created design concepts using Rhino and Adobe Suite, contributing to the completion of high-profile projects in Hollywood Hills.

SOFTWARE SKILLS

- AutoCAD
- Sketch-Up
- Rhino
- Dialux
- Adobe CC
- V-Ray
- LayOut
- Bluebeam
- Grasshopper
- Excel
- Blender
- Asana
